MESSAGE FROM THE PRESIDENT

Warm greetings to all our esteemed members.

As I wind up the 3-year mandate I was given as President of your club , my thoughts are overwhelmed by the magnitude of affection, cooperation and unstinted support that I received from each one of you.

My term of 3 years as the President of your club has been a very exciting one. It has truly been a pleasure and privilege to serve the Club and contribute to the overall growth in its stature.

I was fortunate that I took over the reigns of the Managing committee on a very strong legacy and foundation laid by my predecessors. I was also fortunate to have had committed members in my team who always complimented each other.

From the onset, this management committee had set itself **3 main goals.**

1. Expand and upgrade the club infrastructure and facilities.
2. Ensure that the Primary objects of the club are fulfilled by Expanding membership engagement through social events, sports and fun & frolic activities
3. Expand revenue streams of the club.

As we look back on the accomplishments of the past 3 years, we feel proud that we stayed committed to the goals with a sense of purpose and achieved more than what we set out for.

Infrastructure & facilities - We completed the following projects:

- The grand new air conditioned 400 pax capacity AC hall - now named "**Sala -de- Gaspar**".
- The new badminton court.
- Renovation of lobby and washroom facilities.
- State of the art library.
- Creation of lounge area for informal meetings.
- 2 New Generators for the club of 250 KVA.
- Major repair of swimming pool and replacement of lights.
- Installation of bio-digester for wet waste Management.
- Creation of a Photo gallery depicting the history of the club and Panaji city of yesteryears.
- Installation of access control systems for members.
- Creation of play area for children (under progress).
- We upgraded the facade of the entrance building giving a heritage look to our grand old club.
- The Solario hall has been taken up for renovation and will have a grandeur look.
- Resurfacing of the Tennis courts.

Membership engagement – We accomplished the following:

In the very First year of my term we appointed an Entertainment committee and a Sports committee with active members who ensured

- Restarting of the traditional Diwali Dhamaka, Childrens' Day Christmas kids Party and New-year Eve celebrations
- Fortnightly Saturday Housie.
- Multitude of cultural events and sports tournaments to engage members and their families in participating in club activities

Revenue stream:-

With upgrade of the facilities and infrastructure, the club has been receiving a record number of footfalls year-on-year. The club's popularity has also grown multi fold all across the country thereby achieving many more reciprocal affiliations with other clubs. All of this has resulted in increased revenue through new memberships, higher room occupancy and hiring of club facilities for events and celebrations. I can confidently say that your Club's balance sheet today is stronger than ever along with a strong visibility of revenue stream barring the impact created by COVID 19.

I am happy to see "Clube Tennis de Gaspar Dias" standing among the prestigious clubs in the country and I am sure with the strong foundation that we now have in terms of infrastructure, management team, revenue stream and above all membership engagement, the club will continue to flourish in the years to come.

I would like to put on record the contribution made by several of our members in helping the club achieve its goals. I am sure without this support the challenging projects and activities we took on and accomplished successfully, would not have been possible.

I would also like thank the staff and managing team of the club whose dedication and loyalty has ensured the smooth functioning of the club and has been instrumental in providing an outstanding service to our members that our club is known for.

Last but not the least I would like to thank all the members of the Managing committee during my three year tenure each of whom have contributed in their own way to make my term a smooth and accomplished journey.

But for COVID situation I was hoping to meet you all at our AGM and share ideas and thoughts as we do each year, but I guess this may now have to take place online as is the case with everything else.

I once again thank each one of you for your support and pray that you all stay safe in those challenging times for all of us.

As I sign off this last report of my term as The President, I would like to assure you that I will forever cherish my time at the helm for the rest of my life.

Dev Boren Korun.

ANNUAL REPORT FROM THE DESK OF HON. SECRETARY.

Dear Members,

Very warm greetings to all our dear members!!!
Since this is mine, as well as the entire Managing Committees last year in the office, for the period 2017 - 2020:

It is a great pleasure and very proud privilege for me to pen down my report for the year 2019-2020.

It is almost three years have passed that I have been discharging my duties as Hon. Secretary and expectantly to best of my abilities and to your satisfactions.

At the onset, I do not have words to express to you all, my sincere gratitude for your immense Co-operation extended to us, during heinous Corona Pandemic - 19. And during this time we had no other alternative, but to suspend all our activities from 23 March, 2020; in accordance with the Government notification.

I, on my personal behalf, as well as on behalf of the entire Managing Committee, would like to once again reiterate my profuse thanks to you, for your copious support and co-operation extended to us, for the last three years.

With great pride, I would like to inform you that our Club has been spreading its wings in all departments/activities, may it be Sports or Social front and or furthering the Development of our Club in particular. It will not be out of place for me to mention here that our club has always been climbing stepladder of success.

*It's always said that
Actions are the louder expression of thought.
The quality of thought is ordered by the nature of our
inner belief and faith.*

It is pertinent to mention here that the President and the entire Managing committees, action has always been louder than the expressions. And the same is absolutely manifested from the **EVENT DIARY AND THE PHOTOGRAPHS, SHOWING THE DEVELOPMENT.**

The greatness is not we do, but, unavoidably it is always in how we do and what we do!!!!!!

I am sure that in case we have left some unaccomplished task/s, than the new Committee will certainly accomplish the same, without any doubt.

Whilst concluding, I shall be failing in my duties, if I do not convey my thanks to all our dear members, President, the entire Managing Committee, Entertainment Committee, Sports Committee, Development Committee and last but not the least, not forgetting our General Manager, Susai Fernandes and the entire staff, for all their support extended to me for the last three years.

Needless to state here that your health and wellbeing is our top priority, since together we have to fight, towards tiding over the COVID-19 situation.

STAY FIT & STAY HEALTHY.
